

- The test items in Mathematics and Environmental Studies will focus on the concepts, problem solving abilities and pedagogical understanding of the subjects. In all these subject areas, the test items shall be evenly distributed over different divisions of the syllabus of that subject prescribed for classes I–V by the appropriate Government.
- The questions in the tests for Paper I will be based on the topics of the prescribed syllabus of the State for classes I–V, but their difficulty standard, as well as linkages, could be upto the secondary stage. //
