CONDITIONS OF CONTRACT

The person whose Tender may be accepted shall, before the date fixed for commencing the work make a declaration on Non-Judicial Stamp Paper worth Rs. 10/ that he shall abide by all the conditions of the contract.

All damages payable by the contractor under the terms of his contract may be deducted by the Nanoor Panchayat Samity from or paid by sale of a sufficient part of his earnest money / security deposit or from the interest of such Govt. security or from any other sums due or which may become due by the Nanoor Panchayat Samity.

The contractor is to deliver the materials on or before the dates mentioned in the tender, failing which he shall be subject to pay 1% of the total amount of the contract for every day not exceeding ten days that he shall exceed his time, as and for liquidated damages.

In every case in which the payment or allowance mentioned in clause 4 shall have been incurred for ten consecutive days, the Authority shall have the power either to annul the contract altogether, or to have the supply completed without further notice at the contractors' risk and expense as the Authority may deem best suited to their interest and the contractor shall have no claim to compensation for any loss that he may incur in any way.

If the contractor shall be hindered in the supply of the materials so as to necessitate an extension of the time allowed in this tender, he shall apply in writing to the Executive Officer/ B.D.O, Nanoor Panchayat Samity/ Nanoor Development Block who shall grant it in writing if reasonable grounds have been shown for it, and without such written authority, the contractor shall not claim exemption from the time liable under clause 4.

The contractor shall give notice to the Executive Officer/ B.D.O, Nanoor Panchayat Samity/ Nanoor Development Block /SAE-in charge of the work, about his intention of making delivery of materials and on materials being approved receipt shall be granted to him by the authority and no materials will be considered as delivered until so approved.

On the completion of the delivery of materials, the contractor shall be furnished with a certificate to that effect but the delivery will be not considered complete until the contractor shall have removed all rejected materials (if any) and shall have the approved materials stacked or placed in such position as may be pointed out to him.

Payment will be made to the extent of one-tenth the quantity delivered during each month. But all such payments made shall be considered as payments on account to be covered by the final bill for the complete supply.

The materials shall be of the best description and in strict accordance with the specification. The contractor shall receive payment for such materials only as are approved and passed by the SAE-in-charge.

In the event of the materials being considered inferior to that described in the specification the contractor shall, on demand in writing, forthwith remove the same at his own charge and cost, and in the event of his neglecting to do so within such period as may be deemed fit by the Technical Authority, that officer may have such rejected materials removed at the contractor's risk and expense, the expense incurred being liable to be deducted from any sums due or which may become due to the contractor.

If the contractor or his work people break or deface any building/road/fence/enclosure/grass land/cultivated land he shall repair/make good the same at his own expense, and in the event of his refusing or failing to do so the damages shall be repaired at his expense the Executive Officer who shall deduct the cost from any sums due or which may become due to the contractor.

The contractor shall supply at his own expense all tools, plants, implements required for due fulfillment of his contract, and the materials shall remain at his own risk till the date of final delivery, unless it shall have been in the meantime removed for use by the SAE-in-charge.

The contract shall not be sub-let without prior written permission from the authority concerned. In the event of the contractor sub-letting his contract without such permission, he shall be considered to have thereby committed a breach of contract, and his security deposit shall be forfeited and shall have no claim for any compensation for any loss that may accrue from the material he may have collected or engagement entered into.

The decision of the Tender Committee shall be final, binding and conclusive on all questions.

Supplier / contractor will be fully responsible for guarding the materials till those are fully consumed. No measurement will be taken until 60% supply of work each completed.
